

## **China Health Resource, Inc. Secures Warehouse Space for Increased Angelica Storage**

*China Health Resource, Inc. obtains upscale modern warehouse to ensure adequate market supply for increased Angelica production storage*

**Sichuan, PRC – June 26, 2011** – China Health Resource, Inc. (OTCBB: CHRI) is a leading Chinese pharmaceutical company specializing in producing, processing, and commercializing Dahurian Angelica Root (DAR). Today, CHRI announced that the company has secured a large warehouse in Chuanshan District, in Suining City, in order to meet the growing market demands for increased DAR production. Covering 625 square meters, the new warehouse will ensure adequate market supply for storing high-quality DAR, which CHRI is widely known for.

CHRI has become a solid leader in DAR production in Sichuan Province, enticing many pharmaceutical companies to establish long-term agreements with the company for their ample supply of DAR. As a result, CHRI has secured two consecutive Letters of Intent to increase the purchase quantity of DAR with reputable leading enterprises within the pharmaceutical industry; Sichuan Zhiyuan Aquarius Pharmacy Co., Ltd and Chengdu Longevity Church Business Co., Ltd.

“The Company’s growth opportunities are tremendous, and we are pleased to expand our current facility to cater to the rising demand for DAR,” stated Jiayin Wang, CEO, CHRI.

The modern, upscale warehouse, selected by CHRI, covers 625 square meters and is located in Chuanshan District in Suining City. With the additional 520 square meters the company currently uses for DAR storage, capacity will reach 2,800 tons, valuing at 50 million yuan.
